2016 California State PTA Annual Convention

May 4-7 in San Diego

Attending the California State PTA Annual Convention is the single best investment your PTA can make to help students at your school, in your community and throughout the state. In addition to the top-level training and hands-on learning opportunities, you will feel the power of PTA as you stand with thousands of other parent leaders to make a difference for all children and families.

Don't forget to put Convention attendance in 2015-16 Budget.
